Members, Prospective Members, and Vendors of:
Michigan Public Safety Communications System

Dear Sir or Madam,

You are invited to attend the Michigan Public Safety Communications System's (MPSCS) Town Hall Symposium at the Fetzer Conference Center (WMU) in Kalamazoo on Thursday, June 22, 2006. The Symposium and its agenda were created to present MPSCS initiatives, explain upgrades, and give assistance directly to our customers and vendors.

The enclosed flyer is an invitation for you and anyone you feel may benefit from the Symposium. Do not hesitate to copy and distribute the flyer as you see fit. A large interest and turn out at this event will only enhance communications between neighboring Public Safety professionals and the MPSCS.

If you have any questions or would like to register please contact me. The flyer is also available at the MPSCS web-site: www.michigan.gov/mpscs.

Sincerely,

James P. Herrin
